ABOUT WOMEN ON THE PITCH

The aim of Women on the Pitch is to bring together stakeholders from different parts of the sports sector (clubs, players, lawyers, marketing companies, sports associations), both nationally and internationally. We aim to celebrate our panelist's contribution to the development and growth of women's football, and share their knowledge as they truly are experts in their field.

Join us for a day of interesting discussions, networking and sharing knowledge!

VENUE

SMETANAQ GALLERY

SmetanaQ Gallery is an art gallery that believes that art belongs in everyday life. It focuses on connecting the art world with the commercial world, creating a space for interaction, discussion and mutual inspiration.

Moreover, it is a great space for events, congresses and discussions, all with a beautiful view of the most spectacular sights of Prague.
